OUR FACILITIES

The Alderson Room:

Our hall features an upper area with a full service kitchen. We have the capacity for up to 200 people depending on the type of event. Tables, chairs and dinnerware are provided. Catering is available at your request.

The Classroom:

The lower hall is well suited to evening meetings or summer gatherings of up to 100 people.

The Church:

Our primary building is an historic church built in 1839. In addition to serving as our place of worship each Sunday morning, it is ideally suited in its simplicity, to those times when very special memories are made in our lives, such as weddings, baptisms and even the final departure of loved ones.
